Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the U.S. Patent and Trademark Office of all references coming to the attention of each individual associated with the filing and prosecution of the subject application which are or may be material to the patentability of any claim of the application, Attorneys for Applicants respectfully directs the Examiner's attention to the references EB - EM listed on the attached revised form PTO 1449. Copies of references EB - EM are submitted herewith.

Identification of the above-listed references are not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since that form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "Revised Form PTO 1449" entitled "List of References Cited." Applicants respectfully request that the Examiner review the references cited on the attached revised PTO Form 1449, and that the references are made of record in the file history of the instant application.

Pursuant to 37 C.F.R. § 1.97(e), it is hereby stated that each item of information contained in the information disclosure statement was first cited in any

communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. Applicants estimate that no fee is required. However, should the Patent Office that a fee is required, please charge the required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A duplicate of this sheet is enclosed for accounting purposes.

Respectfully submitted,
